

## KINGSTON UNIVERSITY VISITING STUDENT PROGRAMME

Please read through the following Kingston University terms and conditions. By accepting your place then you are agreeing to the following.

I understand that:

1. Kingston University and my home university reserve the right to terminate my participation in the programme on academic or personal grounds at any time.
2. As a visiting student I am bound by Kingston University rules and regulations. Any outstanding debts that I have to Kingston University at the end of my study period will result in the non-release of grades which could affect my progression at my home institution.
2. I am responsible for ensuring that I comply with UK immigration rules and requirements.
3. If I am coming to study for less than six months I need to choose whether to come to the UK via either a Student Visitor Visa or a Student Visa. I must check whether I am considered a visa national or not as this will affect what is mandatory and what is optional for me. Students with standard visitor visas are not permitted to work (whether paid or unpaid or an internship or volunteering) and cannot extend their stay in the UK.
4. If I am coming for more than 6 months I am required to apply for Entry Clearance to the UK through the Student Visa route.
5. I am required to ensure that I have adequate travel, personal belongings and medical insurance cover for the length of my stay in the United Kingdom. I am responsible for arranging and paying for my travel to and from the programme. I must book online to use the discounted airport pick-up service.
